You are reminded that PRNs [PERNs] must not be issued for more than the total amount of packaging waste which is received for reprocessing or exporting. Any PRNs [PERNs] issued contrary to this are invalid and may not be accepted as evidence of compliance if presented by a Producer or Scheme.

**Conditions of accreditation**

You must comply with the following conditions of accreditation. Failure to do so may lead to enforcement action.

- (1) The conditions set out in Schedule 2A of the Regulations

**Suspension or cancellation of accreditation**

The Agency reserves the right to suspend or cancel accreditation if you:

- (1) fail to comply with the conditions of accreditation.
- (2) knowingly supplied false information in your application for accreditation.
- (3) knowingly supply false information in connection with your compliance with the conditions of accreditation.

If your accreditation is suspended or cancelled, you will be notified in writing and we will update the public register. In the case of suspensions, we will also provide details of any remedial action which may be required to re-instate the accreditation.
